It is a beautiful time of the year! Spring has sprung. Flowers and plants will be showing their beauty in the next few weeks. Most of all, this is the time of year that we celebrate the God of creation who created through beautiful things for us.

We celebrate Him, because just as spring reminds us of new life, God sent His own Son to become the perfect sacrifice for our sins. Thereby effecting new life for those who believe in Him!

We are grateful that you have chosen to join us today for this time of worship!
